LR 152
LB 725, 302

is suspended, that only suspends that little rule. It doesn't suspend that rule book. It suspends that rule and eighty million other things can come into play after that so if you don't want to adopt a system of cloture, a predictable system that says this happens, this happens, this happens and everybody knows where they play from. This is what we get. I just thought I would mention it.

SPEAKER LUEDTKE: Senator Goodrich.

SENATOR GOODRICH: A request that I withdraw the motion.

SPEAKER LUEDTKE: All right. It is withdrawn. Do you have something to read in?

CLERK: Mr. President, Senator Dworak asks unanimous consent to have his name added to LR 152 as cosponsor. Mr. President, Senator Koch would like to be excused on Friday, February 24. Mr. President, Senator Koch would like to bracket LR 725 until March 13, 1978.

SPEAKER LUEDTKE: Is there any objection? Senator Stoney.

SENATOR STONEY: I'd like to ask Senator Koch the reason for bracketing that bill and where it presently is on General File.

SPEAKER LUEDTKE: Senator Koch, would you respond?

SENATOR KOCH: Yes, Senator Stoney. I have some amendments that I wish to be added to that bill.

SENATOR STONEY: Where is the bill presently?

SENATOR KOCH: It is on Select File.

SENATOR STONEY: Thank you.

SPEAKER LUEDTKE: Any objection then, Senator Stoney?

SENATOR STONEY: None.

SPEAKER LUEDTKE: All right. Any objections? So ordered. Anything else, Mr. Clerk?

CLERK: I have nothing further, Mr. President.

SPEAKER LUEDTKE: The Chair recognizes Senator Savage.

SENATOR SAVAGE: I move we adjourn until 1:37.

SPEAKER LUEDTKE: You mean adjourn or...?

SENATOR SAVAGE: Recess until 1:37.

SPEAKER LUEDTKE: Recess until 1:37.

SENATOR SAVAGE: We got seven minutes that we have taken up of our lunch time.

SPEAKER LUEDTKE: Motion to recess until 1:37. All those in favor signify by saying aye, opposed nay. We recess by a vote of three to two.
